Fence Sponsorship

Support Waredaca Horse Trials as a Fence Sponsor! Fence Sponsorships come in two affordable and cost effective options. The sponsorship includes a beautifully crafted custom plaque which is placed on a fence during every competition and then permanently hung in our observation room at the indoor arena. Fence sponsors will also be acknowledged in the event programs.

This is the perfect way to honor a past horse, celebrate a current one, or recognize a friend or family member. If you own your own business, what better way to gain a little extra exposure? Competitors, spectators and volunteers all spend time on the cross-country courses so your sponsorship plaque will be seen by hundreds of people. Additionally, the recognition in the event programs provide added print exposure. A phenomenal value, as we have three USEF/USEA Recognized Events, two Starter Events, AND the Training/Novice Classic Three-Day Events scheduled this year!
