Program Advertising

Waredaca is a large eventing facility in the heart of Maryland's horse country. We have four USEF/USEA recognized events, including Waredaca Classic Three-Day Event and three unrecognized Starter Events scheduled for 2019. More than 1,400 riders from around the country and Canada—as well as over 4,000 spectators—come to Waredaca annually to compete and support their sport.

Our extremely cost-effective advertising program provides high visibility in all of the Waredaca Event programs. If you are interested in advertising, please fill out the order form below and mail it in. There are other sponsorship opportunities available for those interested as well. Please don't hesitate to contact me with any questions you may have.

Sincerely,

Helen Casteel
